

IMPORTANT ROADWORKS INFORMATION

3 November 2025

Bird in Eye Hill, Framfield

Dear Resident / Business owner,

Balfour Beatty is working in partnership with East Sussex County Council to manage the highways service across East Sussex. As part of this, we will be installing new signage and lining on Bird in Eye Hill, Framfield, to improve overall safety for road users.

When do they start?

The work will be carried out on **Thursday 20 November 2025**, between 8am and 4pm.

We will inform you of any changes to the dates or times via advanced warning signs on site.

How will this impact highway users?

We will be working outside the property 'Lyecroft'. The road will remain open with temporary traffic lights in place while the work is undertaken.

Information for residents and businesses

Parking: We will put out 'no parking' signs and cones on the site to advise where parking is restricted. Please avoid parking in these locations as it will delay our works.

Weather: All of these works are subject to favourable weather conditions, for example heavy rain may affect the progress of the works.

Properties close to the carriageway may experience a temporary disturbance as this can be a noisy process and those properties may experience flashing lights and reversing sirens.

We would like to take this opportunity to apologise in advance for any inconvenience or disruption this work may cause, however this forms part of our continuing improvement for the East Sussex highway network.

For information on roadworks and journey planning, visit www.One.Network.com. Please follow us on X (formerly Twitter) [@escicroads](https://twitter.com/escicroads) or Facebook [@EastSussexHighways](https://facebook.com/EastSussexHighways) for updates. If you would like to know more about East Sussex Highways and what we do, please visit our website www.eastsussexhighways.com.

Thank you,

East Sussex Highways
